#### Mister Moneybags

With economy still in a precarious state, it warms the heart to see gazillionaires such as Steve Kaplan, serial entrepreneur and author of the business strategy book "Bag the Elephant," check out how the other half lives, or, in the case of folks on the South Side of Chicago, ekes out an existence. Kaplan spends a week in this crime-ridden neighborhood, hanging with deserving people and organizations that are making a real difference. Kaplan visits an after-school program to keep children off the streets, a low-income senior citizen living community and a charity that collects everyday items to give to those less fortunate — and ultimately surprises these heroes with donations of hundreds of thousands of dollars from his own bank account. Ka-ching!

Steve Kaplan and Diane Latiker, who runs the charity Kids off the Block.

#### Ultrasound Snooki

Now that she is with child, Snooki heads to the gyno's office for an ultrasound. She meets with Dr. Russo, who actually delivered her fiance, Jionni, and lived to tell the tale. "Eww!" exclaims the future soccer mom when she sees the fetus on the monitor. JWowww has a more conventional reaction: "It's so cute!" Snooki asks if the baby is a boy or a girl and Dr. Russo says it's soon soon to tell. Snooki observes that the baby has a big nose like Jionni.
